(Christians in Science meeting)

What else?

Monday 11 June: The second week of CAP Lounge: Prudhoe, a weekly term-time drop-in providing a friendly environment for local people to meet, share and receive support, including help with job searching. We will also be running CAP Job Clubs at intervals through the year, where jobseekers receive practical help and gain the tools they need to find work. CAP Lounge is intended to be a low-key introduction, enabling people to get to know us before having to sign up for a formal course. Come along to The Gate (Prudhoe Community Church) between 11 and 12:30 if it would be helpful to you, or bring a friend! We're also looking for more volunteers to chat and serve refreshments, to bake on a rota, or to use their business experience to help with occasional Job Club sessions: speak to Neill Parker or Lizzie Hodgson for more information. And most importantly please pray!

Red Bananas collections for Romania: In June, craft kits.

Lighthouse Leaders needed: We are looking for new leaders for our Lighthouse groups from September. Anyone who thinks they may have a gift or calling for story-telling, crafting and playing games in the name of Jesus, please contact Jo Knight on jo_forster@hotmail.com or 07702 81444. You will have an opportunity to watch how it's all done before committing to the role! All leaders must be DBS checked prior to starting. [PS – Creche could do with some more helpers too; please contact Marion Lewis if you are interested.]

Children's Holiday Club, Stocksfield and Prudhoe: Monday 23 to Friday 27 July; this year a joint event divided between Stocksfield (older children) and Prudhoe (younger children). This means a lot of changes, so please **pray** for the planning team and all involved. If you're interested in **helping**, including plenty of behind-the-scenes roles, please talk **as soon as possible** with Barbara Revill, Tim Knight or Kathy Clegg. There's more information in the Angus Room.

***NEW* – Items needed for Holiday Club:** Please see details on the board in the Angus Room for what we are hoping to beg or borrow from you this year, for the stage set, crafts etc. All contributions gratefully received! There will be a box in the Angus Room from Sunday 10 June for your donations. Many thanks!

Church Family Camping Weekend: Friday to Sunday 13–15 July at Wooler. If you'd like to go, please tell Neill and Cathy Parker or Joanne Vasey, who can give you further information.

Church Weekend Away: 23–25 November at Bassenfell Manor. **Book now!**

For **SBC housegroups** and other regular activities, please refer to the website at stocksfieldbaptistchurch.net; note that the 'Horsley Housegroup' on Wednesdays has now moved to Heddon at 19:45: ask any member or leader Kevin Frost for details.

Job opportunity: Assistant at Cedar Tree coffee shop in Hexham: details in the Angus Room.

If you have items for possible inclusion in the notices, please contact Bill Clegg, preferably by the email address **notices.sbc@gmail.com**; if you want to receive the notices by email each week, you need to give formal consent for inclusion on the notices email list, so please ask about this.
